Dan's Racing Background

Dan Green began racing the #46 Late Model in 2013 finishing 11th in points, narrowly missing the top 10, in his Rookie season at Grandview Speedway. Dan was awarded the "2013 Rookie of the Year" after an incredible first season which included 5 Top 10 finishes!

It all started at the age of 13 in 1993, racing Go-karts at Shellhammer's Speedway in Leesport, PA. He quickly moved to race at different tracks locally including Orville Kart Club in Topton, PA and Marsh Creek Speedway in Glenmoore, PA. Over the years Dan traveled with the World Karting Association (WKA) racing in different states and ran at selected NASCAR tracks like Charlotte Motor Speedway.

Two of Dan's most valued wins were The Bridgestone National at Philadelphia Park and the Bobby Smith Memorial at Orville Kart Club.

In addition to racing, Dan enjoys spending his down time with his wife and 2 young boys.
